

BEFORE YOU START: FIDELIS TEMPLATE

4imprint.com is our new vendor for magnet business cards. The process is easy, and we have put together this guide to help you along the way.

Before going to the website to order your cards, if you are using the Fidelis Agent cards from the Marketing Hub, please set your card up and save it as a JPG to upload to 4imprint.

The three magnet business card templates can be accessed at the end of this PDF. Fill out your information and add a photo, then go to ilovepdf.com/pdf_to_jpg to convert the PDF into a jpg format that 4imprint can use.

If you already have a JPG version of your business card, you can skip this section.
